

**County of San Diego Health and Human Services Agency (HHSA)  
Behavioral Health Services (BHS)**

**Attestation: Client Notification of Significant Changes for the Integrated Behavioral  
Health Member Handbook**

**(Insert Program's Name)** hereby attests it is in compliance with Behavioral Health Services (BHS) March 6, 2025 Information Notice's requirement to notify each beneficiary of significant changes prior to the effective date, 04/05/2025, of the Integrated Behavioral Health Member Handbook by one or more of the following methods:

- A. Posting the notification from COSD with Significant Changes in an accessible area in the program for clients accessing services in-person.
- B. Providing the website and form links for clients to access notification from COSD and Significant Changes online.
- C. Emailing or texting notification from COSD with Significant Changes to clients requesting email/text, including telehealth clients.
- D. Sending the notification from COSD with Significant Changes by mail to clients who have not been notified in person, email/text or telehealth.
- E. Providing clients with disabilities who cannot access this information online with provided auxiliary aides and services upon request at no cost.
