Drug Medi-Cal Organized Delivery System
Process for Share of Cost (SOC)– BHS 2019-001

February 1, 2019

Drug Medi-Cal Organized Delivery System (DMC-ODS) Providers:

Share of Cost (SOC) is the client financial obligation to pay the provider up to a predetermined amount before a service can be billed to Drug Medi-Cal. Where applicable, Medi-Cal beneficiaries must meet a specified monthly SOC for medical expenses before Medi-Cal will pay claims for services provided. A beneficiary’s SOC is usually determined by the County Eligibility Operations Department and is based upon the beneficiary’s or family’s income and living arrangement. Members of the family may have the same or different SOC amounts. The monthly SOC may change at any time if the individual’s or family’s income increases or decreases, or the family’s living arrangement changes.

In order to meet the SOC requirement for Medi-Cal beneficiaries, the County has developed process flowcharts and forms to assist with the workflow and documentation. Units of service applied in clearing the SOC on the California Department of Health Care Services (DHCS) website should be entered in SanWITS as County billable. Programs should use the County of San Diego Interim Rate Cap in the calculation of DMC billable services in SanWITS to clear the SOC. The County of San Diego Interim Rate Cap was distributed to all Providers and can be found on the DMC-ODS SharePoint: (https://cwc.sdcounty.ca.gov/sites/BHS/DMC-ODS/Shared Documents/DMC ODS Approved Interim Rate Caps.pdf). Payments received from clients should be reported on the invoice to the County as other revenues.

Please refer to the attached documents as reference on how the SOC should be tracked and monitored by providers. They are as follows:

- Flowcharts
  - Drug Medi-Cal Share of Cost Verification Process
  - Drug Medi-Cal Client Obligation Share of Cost Clearance Process

- Forms
  - Medi-Cal Share of Cost Financial Responsibility and Information
  - Services to Meet the Monthly Share of Cost
  - Share of Cost Payment

The implementation date of this new SOC process is February 1, 2019. The County Billing Manual will be updated to include the instructions, flowcharts and forms for the SOC.

Please email ADSBillingUnit.HHSA@sdcounty.ca.gov or fax to (619) 236-1418 if you have questions about this Information Sharing.

FINANCIAL RESPONSIBILITY INFORMATION AND MEDI-CAL SHARE OF COST INSTRUCTIONS

REQUIRED FORM:

This form is a required document in the client file for all San Diego County funded Substance Use Disorder programs.

WHEN:

Completed upon admission for all clients and monthly for clients with a Medi-Cal Share of Cost (SOC).

Reminder: Programs must verify all clients’ Medi-Cal eligibility along with any applicable SOC on a monthly basis. For additional information, refer to the DMC Eligibility Printout instructions in Section 1 of the Substance Use Disorder Utilization Review Management (SUDURM).

Note: If a client received DMC services prior to becoming Medi-Cal eligible, staff must inform the client to request an evaluation for retroactive Medi-Cal and assist client with applying for retroactive Medi-Cal benefits as needed. Staff should also check Medi-Cal eligibility for the prior month(s) when Drug Medi-Cal service(s) were received to verify if those services may be billed to DMC, now. (For example: Client was admitted into program 10/25/2018 with no health coverage and began receiving services during this time. On 11/15/2018, client receives a letter of approval for Medi-Cal with an effective date of 11/01/2018. Since the client received services prior to 11/01/2018, the counselor and client contact a Medi-Cal Eligibility Worker to request an evaluation for retroactive Medi-Cal for the month of October. The client is later approved for retroactive Medi-Cal for month of October and DMC services received from 10/25/2018 – 10/31/2018 can now be billed to DMC.)
