Dear SUD Providers, (Bcc'd)

To align with CalAIM changes, effective Sept. 16, 2022, start time and end time will no longer be required for encounter data entry in SanWITS.

For group module, the start time and end time field will default as system required field but will become optional once you select the group service.

If you have questions, please contact SUD MIS support at SUD_MIS_Support.HHSA@sdcounty.ca.gov

Thank you!
