Mental Health Plan (MHP) Specialty Mental Health and Drug Medi-Cal Organized Delivery System (DMC-ODS) Services

Specialty mental health services and Drug Medi-Cal Organized Delivery System (DMC-ODS) are provided through the County of San Diego Mental Health Plan, which are separate from your physical health care.

The Mental Health Plan and Drug Medi-Cal Organized Delivery System (DMC-ODS) services are committed to providing quality mental health and DMC-ODS services to eligible adults, older adults, and children experiencing serious and persistent mental health problems and or substance use disorder issues. Mental health services and DMC-ODS are confidential and are based on the belief that people can, and do, recover from mental illness and substance use disorders. Even though asking for help with mental health problems or substance use issues may be a challenge, help is just a phone call away.
